2. The stamps, in denominations of 29 cents, F.s. 0.60 and S 6, measure 35 mm x 30.56 mm, perforation to perforation. Perforation: 14.

3. They were printed in offset lithography by The House of Questa, United Kingdom of Great Britain and Northern Ireland.

Denomination	Quantity
29 cents	2 520 000
F.s. 0.60	2 280 000
S 6	2 760 000

(United States equivalents - F.s. 0.60: 46 cents; S 6: 56 cents - subject to exchange rate fluctuation.)

4. The "International Decade for Natural Disaster Reduction" stamps will be issued in vertical sheets of 40 stamps. A se-tenant design has been used so that the se-tenant block of 4 appears as 1 large illustration; hence each sheet will consist of 10 se-tenant blocks of 4 stamps. The se-tenant block of four will comprise one selling unit.

5. For the convenience of collectors, the United Nations Postal Administration at Headquarters will provide prepared and cancelled New York, Geneva and Vienna first-day covers on the United Nations Postal Administration official first-day cachet ONLY.

MAXIMUM CARDS

6. The eighth set of UNPA's maximum cards will also be issued on 24 May 1994. Three different cards will be produced to accommodate the three different se-tenant blocks of four stamps. The appropriate se-tenant blocks will be affixed and cancelled first day of issue for the respective office. The maximum card cancelled United Nations New York card will sell for $1.46. The cancelled United Nations Geneva card is priced at $2.17, while the cancelled United Nations Vienna card is priced at $2.59, both subject to exchange-rate fluctuations.

7. Members of delegations and the staff may obtain the new stamps and first-day cancellations on Tuesday, 24 May, at the following locations:

To: Members of the staff at Headquarters

From: The Controller

Subject: RENEWAL OF THE HEADQUARTERS MEDICAL AND DENTAL INSURANCE PLANS EFFECTIVE 1 JULY 1994, AND ANNUAL ENROLMENT CAMPAIGN, 6-10 JUNE 1994*

General

1. The purpose of the present circular is to announce:

(a) The 1994 medical and dental insurance enrolment campaign;

(b) Changes in the premium rates that will come into effect on 1 July 1994;

(c) The integration of the current Blue Cross/Aetna plan into a single hospitalization/major medical plan administered by Aetna with effect from 1 July 1994 (see paras. 3-5 and 31);

(d) Modifications in the benefit for the treatment of mental and nervous conditions under the Aetna plan, which will come into effect on 1 January 1995 (see paras. 33 and 34);

(e) The introduction of a $5 prescription drug co-payment under the HIP/HMO plan (see paras. 45 and 46);

(f) The introduction of an annual reimbursement limit of $2,000 per covered individual for reimbursement of dental expenses under GHI. This provision will come into effect on 1 January 1995 (see para. 48).

2. An index to the present circular is given on the last page.

* Personnel Manual index No. 6170.

Integrated Aetna plan

3. A key feature of the renewal of the Headquarters medical and dental insurance plans for the period 1 July 1994 to 30 June 1995 is the replacement of Blue Cross by Aetna as the insurance carrier for hospitalization benefits under the major indemnity plan. This change of insurance carrier will not affect the benefit structure in any way.

4. With this change of carrier, the major indemnity plan will become a unified scheme. Integration of the hospitalization and major medical components in a single plan (hereafter referred to as the Aetna plan) will lead to a streamlining in claims administration, as only one insurance company will be involved for all categories of medical expenses. In addition, a single comprehensive scheme will result in a reduction of overhead charges for operating the plan and, thus, a reduction in the cost of the plan itself.

5. All participants currently enrolled in the Blue Cross/Aetna plan will, with effect from 1 July 1994, automatically be enrolled in the new comprehensive Aetna plan. On or before 15 July 1994, new Aetna identification cards will be issued to all Aetna subscribers, including those who may select this plan during the annual enrolment campaign. These cards will replace similar Blue Cross cards for the purpose of obtaining hospital services (in-patient or out-patient).

6. It should be noted by participants in the Blue Cross/WrapAround Plus plan, and those who may select this plan during the annual enrolment campaign, that it is an independent plan and will continue to be administered by Blue Cross.

Premiums

7. Premiums, which are shared between the participants and the Organization, will be adjusted to meet the projected costs of the plans in the renewal period. The new premium rates, as well as the percentages of salary pertaining to staff members' contributions toward the cost of the various plans, are set out in annexes I and II to the present circular.

8. As a result of favourable claims experience during the past year and projected costs in the renewal period, premium levels for the Aetna plan will be lower than the current premium rates pertaining to the Blue Cross/Aetna plan. The overall decrease in premium cost of the new Aetna plan, compared with the current premium levels for the Blue Cross/Aetna plan, is approximately 7.5 per cent. Premium levels in the renewal period for the Blue Cross/WrapAround Plus plan will also decrease by a small amount.

9. Premium levels relating to the HIP/HMO and Kaiser/HMO plans will increase modestly, by approximately 4.6 per cent and 4.4 per cent, respectively. As a result of the increased utilization of GHI Dental plan benefits, the premium levels for the renewal period have had to be increased by a little over 18 per cent.

Annual enrolment campaign

10. All staff members holding appointments of three months or longer (or six months or longer for dental coverage) under the 100 or 200 series of the Staff Rules, 1/ whose duty station is New York and who are not enrolled in a Headquarters medical/dental insurance plan may enrol during this annual campaign. In addition, those currently enrolled may take the opportunity to review their coverage and change from one plan to another, or change their coverage in respect of the members of their family.

11. The medical and dental plans being offered during the June campaign are:

(a) Aetna Hospitalization/Major Medical (Aetna);

(b) Blue Cross/WrapAround Plus (WrapAround Plus);

(c) Health Insurance Plan of Greater New York, Health Maintenance Organization (HIP/HMO);

(d) Kaiser Foundation Health Plan of the Northeast, Health Maintenance Organization (Kaiser/HMO);

(e) GHI Dental Plan (GHI).

Any change that may occur in regard to the plans being offered will be announced in an amendment to the present circular.

12. The effective date of insurance coverage for all campaign applications, whether for enrolment, change of plan or change of family coverage, will be 1 July 1994.

Eligibility for enrolment

13. For enrolment purposes, applicants will be required to present proof of eligibility from their respective personnel or administrative officers attesting to their current contractual status. Eligible family members may also be enrolled at this time, provided that evidence of the status (P.5 Personnel Action form) of such family members is presented to the Insurance Section. Interested staff members should carefully review the current status of their family's enrolment, both as to the continued eligibility of their children and/or inclusion of those newly eligible or not covered at present.

14. "Eligible family members" refers to a spouse and one or more eligible children. A spouse is always eligible. A child is eligible to be covered under this scheme until the end of the calendar year in which he or she attains the age of 25, provided that he or she is not married and not engaged in full-time employment; disabled children may be eligible for continued coverage after age 25. Complete information regarding these provisions can be found in information circular ST/IC/86/72, entitled "Age limitation on the participation of dependent children in United Nations health insurance schemes".

15. Staff members, particularly those who have no coverage under a United Nations plan or through another family member, are strongly urged to obtain medical insurance coverage for themselves and their eligible family members, especially since the high cost of medical care could result in financial hardship for individuals who fall ill and/or are injured and have no such coverage.

16. Staff members are reminded that, in the case of a staff member married to another staff member, the insurance coverage, whether at the two-person or family level, must be carried by the higher-salaried staff member. It should also be noted that, if one spouse retires from service with the Organization before the other spouse, the spouse who remains in active service must become the subscriber even if the retired spouse had been the subscriber up to the date of retirement and is eligible for after-service health insurance (ASHI) benefits following separation from service.

Time and place of enrolment

17. The annual enrolment campaign at Headquarters will be held from 6 to 10 June 1994 at the offices of the Insurance Section of the Office of Programme Planning, Budget and Finance, room S-2765, between the hours of 10 a.m. and 5 p.m. STAFF MEMBERS AT HEADQUARTERS MUST COME IN PERSON TO THE INSURANCE SECTION OFFICE TO COMPLETE THE APPLICATION FORM AND OTHER FORMS AS NECESSARY. The staff of the Insurance Section will be available during the designated dates and hours to provide information and answer specific questions regarding the health plans being offered to staff. In addition, representatives of the insurance companies will be on hand on 6, 7 and 8 June to provide information about the various insurance plans offered. The insurance company desks will be located in the staff activities area near the Secretariat cafeteria entrance.

18. Staff members are reminded that, except as provided in paragraphs 19 and 23 below, this will be the ONLY opportunity until June 1995 to enrol in the United Nations medical and dental insurance plans. This is also an opportunity to review current medical insurance coverages within or outside the Organization and either enrol in one of the United Nations plans or apply for changes within these plans, as may be necessary or desirable. Staff members who are satisfied with their coverage do not need to take any action at this time.

Enrolment between annual campaigns

19. Between annual campaigns, staff members and their family members may be allowed to enrol in the Headquarters medical and dental insurance plans ONLY if at least one of the following events occurs and application for enrolment is made within 31 days thereafter:

(a) In respect of medical insurance coverage, upon receipt of an initial appointment of at least three months' duration at Headquarters under the 100 or 200 series of the Staff Rules;

(b) In respect of dental insurance coverage, upon receipt of an initial appointment of at least six months' duration at Headquarters under the 100 or 200 series of the Staff Rules;

(c) Upon transfer to Headquarters from another duty station;

(d) Upon return from special leave without pay, but only under the health scheme in which insured prior to taking leave (see para. 22 below);

(e) Upon assignment to a mission, under certain conditions (see para. 23 below); and/or

(f) Upon marriage, birth or legal adoption of a child for coverage of the related family member.

Staff members who can demonstrate that they were on mission or annual or sick leave for the entire duration of the annual campaign may enrol within 31 days of their return to Headquarters.

20. In all cases, the completed application for enrolment or re-enrolment must be certified by the appropriate personnel or administrative officer and received by the Insurance Section within 31 days of the occurrence of the event giving rise to entitlement to enrol. Applications and inquiries with regard to changes relating to such events occurring between campaigns should be directed to the Insurance Section as follows:

Insurance Section
Office of Programme Planning, Budget and Finance
Room S-2765
United Nations Headquarters
New York, NY 10017

21. Applications between enrolment campaigns based on any other circumstances or not received within the 31 days of the event giving rise to eligibility will not be receivable by the Insurance Section and will be returned. In this regard, it should be noted that termination of health insurance coverage under a scheme not offered by the United Nations will in no case give rise to any right on the part of a staff member or family member to immediate enrolment in a United Nations plan. If such termination occurs between annual enrolment campaigns, the staff member must wait until the next campaign to enrol in a United Nations plan. Staff members who for any reason may be uncertain about the continuity of their outside coverage are urged to consider enrolling in a United Nations scheme during the present campaign.

Staff on special leave without pay

22. Staff members who are granted special leave without pay are reminded that they may retain coverage for medical and dental insurance during such periods or may elect to discontinue such coverage for the period of the special leave:

(a) Insurance coverage maintained during special leave without pay. If the staff member decides to retain coverage during the period of special leave without pay, the Insurance Section MUST be informed directly by the staff member of his or her intention at least one month in advance of the commencement of the special leave, in person if at Headquarters, or in writing if stationed away from Headquarters. At that time, the Insurance Section will require evidence of the approval of the special leave, together with payment covering the full amount of the cost of the coverage(s) retained (both the staff member's contribution as well as the Organization's share, since no subsidy is payable during such leave);

(b) Insurance dropped while on special leave without pay. Should a staff member decide not to retain insurance coverage(s) while on special leave without pay, no action is required upon commencement of the special leave;

(c) Re-enrolment upon return to duty following special leave without pay. Regardless of whether a staff member has decided to retain or drop insurance coverage(s) during a period of special leave without pay, it is essential that he or she re-enrol in the plan(s) with the Insurance Section upon return to duty, in person if at Headquarters, or in writing if away from Headquarters. This must be done within 31 DAYS OF RETURN TO DUTY. Failure to do so will mean that the staff member will be unable to resume participation in the insurance plan(s) until the next annual enrolment campaign in the month of June.

Staff members assigned on mission

23. In view of the large number of staff members who go on mission assignment, a special medical/dental plan enrolment opportunity is extended to such staff members. The provisions in this respect, which will apply to all staff members going on mission for six months or more, are as follows:

(a) Staff members who at present are NOT enrolled in any United Nations health insurance plan will be allowed to enrol themselves and eligible family members. The insurance will become effective on the first day of the month in which the mission assignment commences. Enrolment in a health insurance plan in these circumstances must be completed PRIOR to the departure of the staff member on mission assignment;

(b) Staff members assigned to a mission who are enrolled in either HIP or Kaiser, two plans which do not offer full services at locations away from Headquarters, may switch to either Aetna or Blue Cross/WrapAround Plus. These two plans provide benefits on a worldwide basis, although in the case of Blue Cross/WrapAround Plus, there are no participating providers outside the Headquarters area. Enrolment in the Aetna or Blue Cross/WrapAround Plus plans under this provision must be completed PRIOR to the departure of the staff member on mission assignment;

(c) Staff members who, at the time of commencement of the mission assignment, do not have GHI Dental coverage but who are already enrolled,

together with eligible family members, in Aetna or Blue Cross/WrapAround Plus, may enrol themselves and family members covered under their medical insurance plan in the dental plan. Such enrolment must be completed PRIOR to the departure of the staff member on mission assignment;

(d) Staff members who elect to enrol in a health insurance plan in the circumstances provided under (a) to (c) above forego the right to make any further change during the annual enrolment campaign taking place in the same calendar year as the commencement of the mission assignment. The next opportunity for these staff members to make any change in their insurance coverage will be at the time of the annual enrolment campaign of the following year;

(e) Staff members who are already enrolled in Aetna or Blue Cross/WrapAround Plus at the time of the mission assignment must retain their existing coverage until the next annual enrolment campaign;

(f) Staff members who will be on mission assignment for a year or more AND WHO WILL NOT HAVE ELIGIBLE COVERED FAMILY MEMBERS RESIDING IN THE UNITED STATES for the duration of the mission assignment may opt for coverage under the Van Breda Medical, Hospital and Dental Insurance plan for staff overseas. Details of this plan are available in the offices of the Insurance Section, room S-2765;

(g) Staff members returning to Headquarters from mission assignment, other than those who qualified and opted for the Van Breda plan, may not change their insurance coverage until the next annual enrolment campaign. Staff members who switched to the Van Breda plan, as provided under subparagraph (f) above, must revert, upon return to Headquarters, to the insurance plan which they had prior to the mission assignment at least until the next annual enrolment campaign. It is essential that such staff members advise the Insurance Section within 31 days of their return to Headquarters.

IN ALL CASES, STAFF MEMBERS GOING ON MISSION ASSIGNMENT WHO WISH TO ENROL IN A HEALTH INSURANCE PLAN OR CHANGE THEIR PRESENT COVERAGE, AS PROVIDED ABOVE, MUST PRESENT EVIDENCE TO THE INSURANCE SECTION OF THE MISSION ASSIGNMENT AND ITS DURATION.

Cessation of coverage of family members

24. The Insurance Section should be notified immediately of changes in the staff member's family that result in a family member ceasing to be eligible, e.g., a spouse upon divorce or a child reaching the end of the calendar year in which the age of 25 years is attained, marrying or taking up full-time employment. The responsibility for initiating the resulting change in coverage (e.g. from "staff member and spouse" to "staff member only" or from "family" to "staff member and spouse") RESTS WITH THE STAFF MEMBER. Staff members who wish to discontinue coverage of a family member under a United Nations plan for any other reason may do so at any time, although this is strongly discouraged. Such removals of family members from coverage should

be communicated to the Insurance Section directly. It is in the interest of staff members to notify the Insurance Section promptly whenever changes in coverage occur in order to benefit from any reduction in premium contribution which may result. Any such change will be implemented on the first of the month following receipt of notification. No retroactive adjustments can be made as a result of failure to provide timely notification of any change to the Insurance Section.

After-service health insurance

25. Staff members are reminded that, among the eligibility requirements for after-service health insurance coverage, is that staff members must be enrolled in a United Nations scheme at the time of separation from service. A minimum of 5 years of prior coverage in a United Nations or specialized agency health insurance scheme is necessary to qualify for unsubsidized after-service health insurance participation and 10 years of prior coverage for subsidized participation. In both cases, the staff member must be 55 years of age or over as of the date of separation. Full details on the eligibility requirements for after-service health insurance coverage are given in the relevant administrative instruction. 2/ It should also be noted that only family members enrolled with the staff member at the time of separation are eligible for continued coverage under the after-service health insurance programme.

26. After-service participants are also reminded that the restriction set out in paragraph 18 above, to the effect that staff members may switch from one insurance plan to another only during the period of the annual enrolment campaign, does not apply fully to them. The relevant provisions relating to after-service participants are set out in the relevant administrative instruction 2/.

Conversion privilege

27. Participants who cease employment with the United Nations and are not eligible for after-service benefits may arrange for medical coverage under an individual contract. This provision applies to all plans currently offered. The conversion privilege, which is part of the United Nations group contracts with the respective insurance companies, means that the insurer cannot refuse to insure an applicant and that no certification of medical eligibility is required. THE CONVERSION PRIVILEGE, HOWEVER, DOES NOT MEAN THAT THE SAME INSURANCE PREMIUM RATES OR SCHEDULE OF BENEFITS IN EFFECT FOR THE UNITED NATIONS GROUP POLICY WILL BE OFFERED IN RESPECT OF INDIVIDUAL INSURANCE CONTRACTS. It should be noted, moreover, that the conversion privilege may be exercised only for separating staff who continue to reside in the United States as the insurers cannot write individual policies for persons residing abroad. In all cases, the conversion privilege must be exercised WITHIN 31 DAYS OF THE DATE OF SEPARATION. Details concerning conversion to individual policies under Aetna and Blue Cross/WrapAround Plus may be obtained from the Insurance Section, room S-2765. Details concerning conversion to individual policies under HIP, Kaiser and GHI Dental should be obtained from those companies directly.

/...

Where to address claims and benefit inquiries

28. Although the staff of the Insurance Section is available to assist staff members in administrative matters concerning participation in the various Headquarters insurance plans, claims questions should always be taken up in the first instance directly with the insurance company concerned. The addresses and relevant telephone numbers of the insurance companies are listed in annex X to the present circular.

29. Staff members are reminded that the plan descriptions set out in annexes III to VII constitute summaries of the benefits available under the respective plans. Every care has been taken to ensure that the plan summaries are as comprehensive as possible. However, in the event of a claim dispute with any of the insurance carriers concerned, the resolution of such dispute will be guided by the terms and conditions of the respective policy contract and the final decision will rest with the insurance carrier concerned, not with the United Nations. The contracts with the insurance carriers are available for review by subscribers, as may be necessary, by appointment at the offices of the Insurance Section, room S-2765.

Insurance plans: benefit and premium changes

30. The United Nations policies with Aetna, Blue Cross and GHI are "experience-rated". This means that the premium cost each year of the Aetna, Blue Cross/WrapAround Plus and GHI Dental plans is based on the level of claims incurred in the prior year and expected rates of utilization and medical cost inflation for the renewal period. In effect, the costs of these plans (claims incurred plus administrative expenses) are borne collectively by participants in these schemes. In a year following a period of heavy utilization, premium increases are likely to be relatively high. Conversely, if utilization in the prior year has been relatively moderate, the premium increase in the subsequent year will be correspondingly moderate or may actually decline, as is the case this year for Aetna and Blue Cross/WrapAround Plus. The two health maintenance organization (HMO) plans, HIP and Kaiser, are "community-rated". This means the premium costs are based on the combined experience of all employers participating in these schemes, not just the United Nations, and are approved by the relevant state insurance authorities. It should be emphasized, particularly with respect to the three experience-rated plans, that prudent utilization by all participants concerned will have the effect of moderating premium costs for the benefit of all.

Aetna Hospitalization/Major Medical Plan (Aetna)

31. The Aetna Hospitalization/Major Medical (Aetna) insurance plan, which replaces the Blue Cross/Aetna scheme, is a full-indemnity plan that offers worldwide coverage for hospitalization and surgical, medical and prescription drug expenses, all through Aetna. Under this plan, medically necessary treatment for a covered illness or injury may be obtained at a hospital or from a physician of one's own choosing. Hospital costs for semi-private accommodation are covered in full for 365 days after which, if the patient

continues to remain in hospital, further expenses are covered under the major medical component of the Aetna plan. Expenses for surgical and medical treatment and prescription drugs are reimbursed at 80 per cent, after meeting an annual deductible of $125 per individual or $375 per family. When a participant has met the annual deductible and a further $1,000 in co-payment (20 per cent of $5,000 of recognized expenses), Aetna will reimburse all further claims incurred in the year, subject to the provision that they be "reasonable and customary", at 100 per cent. The deductible and co-payment requirement must be met each calendar year. There is no lifetime reimbursement limit under the Aetna plan. A summary of the hospitalization and major medical benefits of the Aetna plan is set out in annex III to the present circular.

Premium

32. The monthly premium for the Aetna plan will decrease by approximately 7.5 per cent compared with present rates for the renewal period commencing 1 July 1994. The new premiums are shown in column (1) of annex I to the present circular. The percentages of salary contribution by staff members required to cover the increases are shown in column (1) of annex II to the present circular.

Benefits

33. OUT-PATIENT TREATMENT FOR MENTAL AND NERVOUS CONDITIONS. Currently, under the Aetna major medical component, the maximum recognized charge per visit per year to a medical doctor engaged in the practice of psychiatry (and, depending on the state in which the provider is licensed, for the services of a psychologist and psychiatric social worker) is $80, reimbursable at 80 per cent, i.e., $64, and the annual maximum is $3,200. WITH EFFECT FROM 1 JANUARY 1995, the maximum recognized charge per visit for such treatment will be raised from $80 to $134, reimbursable at 80 per cent, i.e., $107.20. The annual maximum effective 1 January 1995 will be $3,216 (30 visits x $107.20 = $3,216). Under this arrangement, the minimum number of covered visits per year will be 30. Visits beyond this number will be covered until the annual maximum of $3,216 has been reached. Provider fees exceeding the $134-per-visit rate or the $3,216 annual maximum will be borne by the participant. Co-payments made in respect of this benefit do not apply to the $1,000 annual co-payment maximum referred to in paragraph 31 above.

34. PARTIAL HOSPITALIZATION BENEFIT. An additional benefit, partial hospitalization, will be incorporated in the Aetna plan with effect from 1 January 1995. Partial hospitalization may be indicated as preferable to full hospitalization in a programme of treatment for certain mental and nervous conditions. Up to 30 days of partial hospitalization will be reimbursed.

Mandatory second surgical opinion

35. Staff members are reminded that reimbursement in respect of 16 surgical procedures performed on a non-emergency basis requires a second surgical opinion and that failure to provide a second opinion, which must be furnished by a physician not associated or in practice with the physician who originally recommended and proposed to perform the surgery, WILL RESULT IN A REDUCTION OF THE REIMBURSEMENT FOR THE SURGERY BY 50 PER CENT. STAFF MEMBERS ARE URGED ONCE AGAIN TO TAKE NOTE OF THIS REQUIREMENT. A complete listing of the surgical procedures subject to mandatory second opinion is provided in annex III to the present circular.

Aetna claims

36. The address to which Aetna claim forms should be sent is as follows:

Aetna Life Insurance Company
Unit 41
3541 Winchester Road
Allentown, PA 18195-0513

The customer service number for New York City area residents continues to be (212) 567-6969. The customer service number for non-New York City residents is (800) 858-5630. AS THE PLAN INCURS A SERVICE CHARGE FOR EACH CLAIM SUBMITTED, PARTICIPANTS ARE URGED NOT TO FILE CLAIMS WITH AETNA UNTIL ONE CLAIM OR A GROUP OF CLAIMS EQUALS OR EXCEEDS THE APPLICABLE ANNUAL DEDUCTIBLE.

Access America

37. Aetna plan subscribers are reminded of the existence of a facility called Access America. This facility provides an international travellers' 24-hour hotline assistance programme for obtaining medical care abroad, or within the United States, when at least 100 miles from one's normal place of residence. Participants who call the hotline numbers below will, where possible, be provided with referrals from a worldwide network of physicians, dentists, hospitals, pharmacies and other medical facilities. In addition, in most cases, Access America will settle the costs of EMERGENCY foreign hospital admission and treatment. If the emergency hospitalization occurs in the United States and the hospital does not accept the Aetna card, Access America will also settle the related costs directly with the hospital. In either case, it will then claim reimbursement directly from Aetna. In the case of hospitalization, Access America medical staff will contact the insured patient's local physician in order to monitor the case and services being received. In the event of an emergency hospitalization in the circumstances described above, it is important that Access America be contacted upon admission to the hospital or, at the latest, before discharge. It should also be emphasized that any hospital bill paid by the participant must be sent to Aetna for reimbursement, as Access America does not reimburse participants directly.

The hotline numbers are:

1-800-654-1901 - (in the United States, Canada, Puerto Rico and the Virgin Islands)

(804) 673-1159 - collect (from Alaska, Washington, D.C. and all other locations), or

Telex No. 706305 ACCESS WSH (from all locations)

When contacting Access America, be sure to identify yourself as a United Nations participant. Your Access America identification number is as follows:

2065-8-(UN INDEX NUMBER)-00.

Blue Cross/WrapAround Plus Plan (WrapAround Plus)

38. The WrapAround Plus plan is a hybrid scheme blending some of the features of a health maintenance organization (HMO) (such as HIP) with some of the features of a full indemnity plan (such as the Aetna hospitalization/major medical plan). The plan provides the participant with the possibility of selecting a physician from an extensive listing of participating WrapAround Plus practitioners covering most medical specialities, in which case the only charge to the participant is $10. On the other hand, the participant may equally be treated by a physician who is not a participating practitioner in the plan. Medical services rendered by non-participating providers (whether physicians or otherwise) will be reimbursed subject to a deductible and 20 per cent co-payment. The deductible and 20 per cent co-payment requirement must be met each calendar year. An outline of the hospitalization and medical benefits of this plan is provided in annex IV to the present circular. The premiums and percentages of salary contributions by staff members applicable as of 1 July 1994 are shown in column (2) of annex I to the present circular and column (2) of annex II to the present circular, respectively.

Premiums and benefits

39. Owing to the improved experience of the WrapAround Plus plan over the last year, the cost of the plan will decrease slightly in the renewal period commencing 1 July 1994. The benefit structure of the Blue Cross/WrapAround Plus plan will remain unchanged for the policy period from 1 July 1994 to 30 June 1995.

Participating providers

40. A network of physicians covering New York City and the New York metropolitan area participate in WrapAround Plus and accept as payment a fee schedule arranged with Blue Cross. No deductible has to be met, but instead, the participant pays a $10 co-payment for each visit. If, however, a participating physician refers a patient to, or engages the services of, another provider who is non-participating, the deductible and 20 per cent co-payment will apply in connection with reimbursement of the cost of the services rendered by the non-participating provider.

/...

Participating diagnostic laboratories

41. A number of diagnostic laboratories are participating providers under WrapAround Plus. When any laboratory tests are required, it is important that the physician be told to direct the tests to a participating laboratory, if possible. If this is done, the cost of the laboratory test will be paid in full and will not be subject to the normal deductible and co-payment.

List of participating providers

42. A partial list of participating providers located in the boroughs of Manhattan, Queens and Brooklyn is set out, by specialty, in annex IX to the present circular. The full list of WrapAround Plus providers, covering the entire metropolitan area, is too large to reproduce herewith. Copies of the full directory are available to Headquarters staff for consultation at the offices of the United Nations Insurance Section; the Division of Personnel, United Nations Development Programme (UNDP); and the Office of Personnel, United Nations Children's Fund (UNICEF). It is recommended that subscribers to the WrapAround Plus consult the directory and contact the Blue Cross referral service at 1-800-435-1385 for updates to the list.

Non-participating provider utilization

43. Should the participant choose to be attended to by a non-participating provider or be referred by a participating physician to a non-participating provider, WrapAround Plus will pay 80 per cent of the reasonable and customary charge after the participant has met a $150 deductible per individual/$450 per family. It should be noted that, with few exceptions, the following providers and medical services fall under the non-participating category and are subject to the deductible and co-payment:

(a) Diagnostic laboratory and X-ray examinations (see para. 41 above);

(b) X-ray, radium and radioactive isotope therapy;

(c) Anaesthesia and oxygen;

(d) Assistant surgeons assisting a primary surgeon;

(e) Physical therapy, physical medicine or rehabilitation;

(f) Chiropractic services (limit of 20 visits).

After $900 of unreimbursed reasonable and customary medical expenses have been paid by the participant in a given year, further expenses will be reimbursed in full (100 per cent in lieu of 80 per cent).

Access America

44. Blue Cross WrapAround Plus subscribers also benefit from the Access America facility, which is described in paragraph 37 above.

Health Insurance Plan/Health Maintenance Organization (HIP/HMO)

45. This plan follows the concept of total prepaid group practice hospital and medical care, i.e., there is no out-of-pocket cost to the staff member for covered services at numerous participating medical groups in the Greater New York area, including New Jersey and certain areas in Florida. The costs of necessary emergency treatment obtained outside the covered area are included in the plan coverage. Additionally, prescription drugs (a $5 co-payment applies, see para. 46 below) and medical appliances (in full) are covered when obtained through HIP/HMO participating pharmacies and are prescribed by HIP/HMO physicians or any physician in a covered emergency.

46. In line with the other health insurance plans, it has been decided for the renewal period to implement a co-payment per prescription on prescription drugs. With effect from 1 July 1994, the co-payment will be $5 per prescription. As a result of this measure, the increase in HIP premiums for the renewal period is smaller than it would have been without the co-payment. Details of the HIP/HMO plan are outlined in annex V. The premiums and percentages of salary contributions by staff applicable as of 1 July 1994 are shown in column (3) of annex I and column (3) of annex II to the present circular respectively.

Kaiser Foundation Health Plan of the Northeast (Kaiser/HMO)

47. The Kaiser Foundation Health Plan is an HMO, providing all medical-related services at any one of four health centre locations, accessible to staff members residing in northern Bronx, Westchester County and southern Connecticut as well as hospitalization when authorized by a Kaiser physician. Kaiser health centres accommodate not only physicians' offices but also laboratory, X-ray, pharmacy and mental health services. The costs of necessary emergency treatment obtained outside the covered area are included in the plan coverage. There is no ceiling on the use of authorized services, no deductibles to cover and no insurance forms to complete. The plan coverage emphasizes early detection of medical problems before they become major illnesses. An outline of the benefits of this plan is provided in annex VI to the present circular. The premiums and percentages of staff contributions applicable as of 1 July 1994 are shown in column (4) of annex I and in column (4) of annex II to the present circular, respectively.

GHI Dental plan

48. The GHI "Preferred" Dental plan, which was introduced in 1992, has experienced heavy utilization in the past year. In addition, certain benefits under the plan were increased with effect from August and October 1993. As a result of these developments, the premium levels for the plan have to be increased by approximately 18 per cent for the renewal period 1 July 1994 to 30 June 1995. In addition, with the object of minimizing further increases in the costs of the plan, a $2,000 per annum benefit maximum will apply for each covered individual with effect from 1 January 1995. The benefit structure of the plan, which is summarized in annex VII, will remain the same in the renewal period as at present.

/...

49. While the schedule of benefits available under the GHI "Preferred" plan may be utilized to offset the costs of dental services provided by independent (fee-for-service) practitioners, staff members are encouraged to make maximum use of the dental practitioners who participate in the GHI Dental Plan. In order that participants may have readier access to the names and specialties of such providers in the New York area, the complete directory of participating dentists is reproduced in annex VIII to the present circular. This directory, which also includes the names, addresses and telephone numbers of providers in locations outside the New York metropolitan area, is available at the offices of the Insurance Section, room S-2765. The premiums applicable as of 1 July 1994 are shown in column (5) of annex I. The percentages of staff contributions applicable as of 1 July 1994 are set out in columns (5) and (6) of annex II to the present circular.

50. The present circular supersedes information circular ST/IC/1993/27, dated 21 May 1993.

Notes

1/ The medical scheme applicable to staff at Headquarters appointed for less than three months or under the 300 series of the Staff Rules is described in information circular ST/IC/86/44 of 15 September 1986.

2/ ST/AI/394.

1. One baseline mammogram for women ages 35 to 39;

2. A mammogram every two years for women ages 40 to 49; and

3. An annual mammogram for women age 50 and older

To be covered in full under the above conditions, the mammogram must be performed in a hospital on either an in-patient or out-patient basis. Under the major medical component (part II), Aetna will reimburse the cost of a mammogram not carried out in a hospital without any age or frequency limits. This benefit is subject to the normal deductible and co-payment provisions.

L. Skilled nursing facilities are covered when the treatment in the facility would otherwise be rendered by a hospital if no skilled nursing facility was available. Overseas coverage is approved if the facility is properly accredited and provided that the above-mentioned conditions are met. In reviewing any overseas facility, the focus is on whether the facility provides:

(a) Direct supervision by a doctor;
(b) Registered professional nurses on duty 24 hours a day;
(c) On-site physical therapists and other professionals.

Specifically, the skilled nursing benefit amounts to two days for every one day of covered hospitalization not utilized. The skilled nursing facility benefit does not provide coverage for custodial care, rest homes, spas and nursing homes where the services do not meet the above criteria.

M. The full cost (semi-private accommodation) of 30 days of hospitalization for the treatment of mental and nervous disorders. Hospital confinements beyond 30 days are reimbursed subject to the normal deductible and co-payment provisions

N. The full cost (semi-private accommodation) of 30 days of hospitalization for substance (alcohol and/or drug) abuse detoxification and rehabilitation, limited to two 30-day benefit periods in a lifetime. Continuous confinement

of up to 30 days beyond this 30-day limit is subject to the provision under section B, 14 in part II below.

Part II. Major medical benefits

Expenses for medically necessary services and supplies listed under sections A and B below will be reimbursed at 80 per cent after the application of a calendar-year deductible of $125 per person or $375 per family, provided that such expenses fall within the REASONABLE AND CUSTOMARY fee levels established by the insurer for the related medical service or procedure in the area of the doctor's place of business. In any calendar year, after an insured person's total unreimbursed expenses reach $1,000 (and after satisfying the deductible), covered expenses for that person will be reimbursed in full for the rest of that year.

A. Hospital expenses incurred after exceeding hospitalization coverage maxima listed in part I are covered by the Aetna major medical component. Covered expenses include charges for semi-private hospital room, board, general nursing care, X-ray and laboratory examination, etc.

B. Other covered medical expenses include:

1. The services of a legally qualified physician

2. The services of a private-duty registered nurse (RN) other than a nurse who ordinarily resides in the staff member's home or who is a member of the staff member's family or his or her spouse's family. Private nursing services in a hospital are not generally considered necessary unless they are in lieu of intensive care or critical care unit nursing services. The circumstances under which private nursing charges are payable are very rare. If your physician recommends such treatment, please contact the Aetna claim office for guidance

3. Drugs and medicines obtainable only on a prescription of a legally qualified physician

4. Diagnostic laboratory and X-ray examinations

5. X-ray, radium and radioactive isotope therapy

6. Anaesthetics and oxygen

7. Rental of durable medical or surgical equipment

8. Artificial limbs and artificial eyes (eye examinations, eyeglasses and hearing aids are excluded)

/...

10. (a) Until 31 December 1994. A maximum of 50 out-patient visits per year to a medical doctor engaged in the practice of psychiatry (and, depending on the state in which the provider is licensed, for the services of a psychologist and psychiatric social worker). The maximum recognized charge per visit will be $80, reimbursable at 80 per cent, i.e., $64, with an annual maximum not to exceed $3,200 (50 visits x $64 = $3,200). Provider fees exceeding the $80-per-visit rate will be borne by the participant;

(b) With effect from 1 January 1995. The maximum recognized charge per visit for such treatment will be raised from $80 to $134, reimbursable at 80 per cent, i.e., $107.20. The annual maximum effective 1 January 1995 will be $3,216 (30 visits x $107.20 = $3,216). Under this arrangement, the minimum number of covered visits per year will be 30. Visits beyond this number will be covered until the annual (calendar year) maximum of $3,216 has been reached. Provider fees exceeding the $134-per-visit rate or the $3,216 annual maximum will be borne by the participant. Co-payments made in respect of this benefit do not apply to the $1,000 annual co-payment maximum referred to in paragraph 31 on page 10 of the present circular.

11. Spinal disorder treatment (chiropractic services) subject to a $1,000 calendar year reimbursement limit

12. The cost of up to two blood tests per covered person per year for the HIV virus

13. Coverage for the reasonable and customary charges for mammograms without any age or frequency limits once the annual deductible has been met

14. Coverage for up to 30 days of hospitalization for substance-abuse (alcohol and/or drug) rehabilitation after the 30-day hospitalization benefit described in part I, section N above has been exhausted. This benefit is available twice in a lifetime and is applicable only as a continuation of each of the two 30-day hospitalization periods provided under part I, section N

15. Sixty out-patient visits per calendar year for the treatment of alcoholism or drug abuse diagnosed by a physician. Of these 60 annual visits, 20 may be utilized for the counselling of the patient's family if directly related to the patient's alcoholism or drug abuse

C. All hospitalization for mental and nervous and substance-abuse conditions is subject to the Focused Psychiatric Review (FPR) procedure. STAFF MEMBERS ARE ASSURED THAT THE FPR PROGRAMME IS CONDUCTED IN THE STRICTEST CONFIDENCE. The procedure is as follows:

(a) Prior to a non-emergency hospital admission, Aetna must be informed of the intended admission. This is accomplished by placing a telephone call to a toll free Aetna number (1-800-445-5299). This call will be taken by a member of the Aetna FPR team. The telephone call may be placed by the subscriber himself or herself, the attending physician, a family member, or any other person acting for the patient to be hospitalized;

(b) The initial information required by Aetna in order to pre-certify the admission includes the subscriber's identification number (payroll index number), the reason for the admission, the physician's name, address and telephone number, the hospital name, address and telephone number, and the schedule admission date;

(c) The FPR specialist then contacts the attending physician to review the information prior to certification of the admission. If the attending physician makes the original call to the 800 number, this step will be accomplished at that time. The FPR specialist certifies a certain number of in-patient days, if appropriate, and develops a plan of regular follow-up visits with the attending physician. Failure to pre-certify an in-patient admission for mental and nervous and substance-abuse treatment will result in a $400 reduction of the benefit amount paid;

(d) An emergency admission, which cannot be pre-certified before the confinement begins, must be called in to the Aetna FPR number within 48 hours of the emergency admission.

D. Hearing-aid and optical lens benefit

1. Reimbursements to be made by Aetna in regard to hearing-aid and optical lens claims will be subject to the normal deductible and co-payment requirements of these plans. In addition, a one-year waiting period will apply, which means that only subscribers and covered family members who have been enrolled in the plan for at least 12 months will be eligible to receive the benefit. A description of the hearing-aid and optical lens benefit is set out below.

Hearing-aid benefit

2. The hearing-aid benefit is as follows:

(a) Covered expenses: The reasonable and customary charge for a hearing aid or aids provided that such aid or aids were purchased as a result of a written recommendation by a physician certified as an otolaryngologist. Covered hearing-aid expenses will include the reasonable and customary charge for the hearing-aid evaluation and audiometric examination performed by the otolaryngologist or state certified audiologist. The maximum covered expense per hearing aid recognized under this plan will be $600. The combined maximum covered expenses for all hearing-aid evaluations or audiometric examinations will be $100;

(b) Benefit: 80 per cent of covered hearing-aid expenses;

(c) Limitations: The number of hearing aids will be limited to one per ear per insured employee or covered dependant during any period of three consecutive years. No more than one hearing-aid evaluation and one audiometric examination will be covered during any consecutive three-year period.

Replacements are covered only if the hearing-aid being replaced has been in use for at least three years and such replacement is made upon the written recommendation of a physician certified as an otolaryngologist.

3. Covered expenses do not include and no benefits are paid for:

(a) Charges for services or supplies which are covered in whole or in part under any other portion of the plan;

(b) Audiometric examinations by an audiologist that are not ordered by an otolaryngologist;

(c) Medical or surgical treatment;

(d) Drugs or other medication;

(e) Audiometric examinations, hearing-aid evaluation tests and hearing-aids provided under any applicable Workmen's Compensation Law.

Optical lens benefit

4. Coverage under this benefit is an addition to any benefits related to eye-care payable under the medical part of the Aetna plan.

(a) Covered expenses: The reasonable and customary charge for optical lenses with a maximum of $60 for any two lenses ($30 per lens);

(b) Benefit: 80 per cent of covered optical lenses;

(c) Limitation: The number of optical lenses will be limited to two lenses in a 24-month period of time.

5. Covered expenses do not include and no benefits are paid for:

(a) Charges for services or supplies covered under any other part of the plan;

(b) Eye examinations for optical lenses;

(c) Frames;

(d) Special procedures, such as orthoptics or vision training and special supplies, such as non-prescription sunglasses or subnormal vision aids.

E. Other provisions:

1. The following surgical procedures require a second medical opinion. Reimbursement will be made for second surgical opinion consultation expenses at 100 per cent after the deductible of $125 per person or $375 per family has been met. Failure to provide a second opinion, which must

be furnished by a physician not associated or in practice with the physician who originally recommended and proposed to perform the surgery, will result in a reduction of the reimbursement for the surgery by 50 per cent.

Procedure	Explanation

Excision of cataracts	Removal of cataracts

2. Special conditions apply to certain medical procedures for injury-related dental and cosmetic injury and for convalescent facility expenses.

3. Unlimited overall lifetime reimbursement benefits

4. Certain expenses are not covered under the Aetna plan. These comprise expenses for services or supplies not deemed by Aetna as being necessary, reasonable and customary or not recommended by the attending physician.

5. If Aetna denies a claim in whole or in part, the subscriber will receive a written notice from Aetna. This notice will explain the reason for the denial and the appeal procedure. The request for review must be submitted in writing within 60 days of receipt of the notice. The subscriber should include the reasons for requesting the review and submit the request to the Aetna Allentown Claim Office. Aetna will review the claim and ordinarily notify the subscriber of its final decision within 60 days of receipt of the request. If special circumstances require an extension of time, notification will be given to that effect.

6. Subscribers should note that claims for reimbursement must be submitted to Aetna no later than two years from the date on which the medical expense was incurred. CLAIMS RECEIVED BY AETNA LATER THAN TWO YEARS AFTER THE DATE ON WHICH THE EXPENSE WAS INCURRED WILL NOT BE ELIGIBLE FOR REIMBURSEMENT.

Part II. Major medical benefits

A. Hospital expenses incurred after exceeding Blue Cross coverage maxima listed in annex IV above are covered by the Blue Cross/WrapAround Plus component, subject to the deductible and co-payment requirements set out in paragraph B, 2 below. Covered expenses include charges for semi-private hospital room, board, general nursing care, X-ray and laboratory examination, etc.

B. Covered major medical expenses for medically necessary treatment under the Blue Cross/WrapAround Plus scheme are as follows:

1. Surgical and medical care in or out of the hospital when using one of the participating WrapAround Plus plan doctors. (Please consult the Blue Cross WrapAround Plus directory or ask your physicians if they are enrolled in this plan as participating physicians. Alternatively, you may call (212) 949-8090 for up-to-date information on participating providers or verification that the physician of your choice does participate in the plan.) Please note that, if a participating physician refers a patient to, or engages the services of, another provider who is non-participating, the deductible and 20 per cent co-payment will apply in connection with reimbursement of the cost of the services rendered by the non-participating provider (see also para. 4 below). The benefits under this arrangement include:

(a) When using the services of a participating physician for an office or home visit, only a $10 co-payment a/ per visit is required (no claims to file, no deductibles or additional out-of-pocket expenses to be met when being treated by a participating physician);

(b) Well-baby care visits paid in full (six office visits up to age 1, one annual visit per year up to age 6); these visits are in addition to one in-depth examination performed in the hospital by a physician other than the attending physician who delivered the baby;

/...

(c) Surgical second opinion paid in full when rendered by a choice of physicians designated by Blue Cross (call (212) 481-2658).
